Summer @club48

STEAM focused School Age Summer Day Program

WHAT IS STEAM?
The integrated study of science, technology, engineering, and math concepts through a creative ARTS lens.

Summer @club48 is now enrolling for Summer 2020!

This STEAM focused program provides high-quality curricula that promotes the social, cognitive, and emotional development of the student. Activities include computer coding, swimming, dancing and exploring Boston through weekly field trips.

The program runs Monday through Friday, 8AM - 6PM.

*USES is closed on Friday, July 3rd in observation of Independence Day.

Healthy breakfasts, lunches, and snacks are provided.
